

	DAY1	DAY2	DAY3	DAY4		
	Dec-3 (Tue)	Dec-4 (Wed)	Dec-5 (Thu)	Dec-6 (Fri)		
8:30						
8:40		Registration	Registration	Registration		
8:50						
9:00		Session: In Situ Observations at Gas-Solid Interfaces I	Session: In Situ Observations at Liquid-Solid Interfaces	Session: Real Applications in Environmental Science		
9:10						
9:20						
9:30						
9:40						
9:50						
10:00	Registration					
10:10						
10:20		Break	Break			
10:30				Session: In Situ Observations on Metal Oxides		
10:40						
10:50			Session: In Situ Observations on Electrocatalyst Surfaces and Interfaces	Break		
11:00					Closing	
11:10						
11:20			Lunch	Lunch		
11:30						
11:40						
11:50						
12:00	Opening					
12:10	Session: Technical Innovations in Operando Spectroscopy					
12:20						
12:30						
12:40						
12:50						
13:00		Session: In Situ Observations on Metals and Alloys	Session: In Situ Observations during Reactions with Oxygen			
13:10						
13:20						
13:30						
13:40						
13:50						
14:00						
14:10						
14:20						
14:30						
14:40	Break					
14:50						
15:00	Session: Technical Update Session I					
15:10						
15:20			Break	Break		
15:30						
15:40			Session: In Situ Observations on Functional Materials	Session: In Situ Observations on Catalysts and Electrodes		
15:50						
16:00						
16:10						
16:20	Break					
16:30						
16:40	Session: Technical Update Session II					
16:50						
17:00						
17:10						
17:20						
17:30		NanoTerasu Visit	Banquet			
17:40						
17:50						
18:00						
18:10	Break					
18:20	Poster					
18:30						
18:40						
18:50						
19:00						
19:10		SAC meeting				
19:20						
19:30						
19:40						
19:50						
20:00						
20:10						
20:20						
20:30						
20:40						
20:50						
21:00
